New Source Review Permits Open for Comment

Ajax Materials Corporation – Permit to Install Application No. APP-2021-0019

EGLE has extended the Public Comment period for Ajax Materials Corporation’s proposed permit until September 7, 2021.

The Public Comment period started on July 1 and will now close on September 7, for Permit to Install Application No. APP-2021-0019, which is a request from Ajax Materials Corporation, 5088 Energy Drive, Flint, Michigan, to install and operate a new hot asphalt (HMA) plant.

A virtual informational session and public hearing, was held on August 3, 2021, starting at 6:00 p.m. The hearing portion was held to take testimony on the record. A recording of the meeting is available to view.

EGLE will also be hosting an in-person comment opportunity on August 11 from 6:00 pm to 8:00 pm at the Genesee Township Hall, 7244 N Genesee Road, Genesee, Michigan.

To tell us what you think, you may attend the in-person comment session, click the “Submit Comment" button below or submit your comment in a variety of other ways.

NOTE: The Department of Environment, Great Lakes, and Energy (EGLE) has closed its offices and other facilities to visits from the public to help mitigate the spread of COVID-19. Necessary public meetings/hearings will be postponed to the extent possible or held virtually. When held virtually, every attempt will be made to accommodate and include individuals from diverse groups, including, but not limited to translation for those with limited English proficiency and provide call in numbers for those without internet access. Other options will also be considered on a case-by-case basis.

Submitting Comments

Interested individuals may provide verbal comments during a public hearing. However, this is not the only way to tell us what you think. Official comments may be submitted in a variety of ways:

- E-mail your comment using the “Submit Comment” link above or by sending it to EGLE-AQD-PTIPublicComments@Michigan.gov. Before submitting a comment ensure the e-mail message looks similar to this e-mail example. Its appearance may vary depending on which e-mail program you use.

- Mail your comment to Michigan Department of the Environment, Great Lakes, and Energy (EGLE), Air Quality Division, Permit Section, P.O. Box 30260, Lansing, Michigan 48909-7760.

- Leave us a voicemail comment by calling 517-284-0900.

- At a public hearing, if held (in person or virtual).

Attachments: If attaching files, please note,

- File attachments are limited to 15 MB maximum.
- The following file types cannot be attached: batch or executable files, files with embedded macros, and Microsoft Access databases.

EGLE promotes the equitable treatment and meaningful involvement of Michigan’s residents regarding the development, implementation, and enforcement of laws, regulations, and policies. Equitable treatment means that no group of people bears a disproportionate share of the negative consequences resulting from governmental, industrial, or commercial operations and policies. Meaningful involvement means all people have an opportunity to participate in decisions that affect their environment and/or health.

EGLE does not discriminate on the basis of race, sex, religion, age, national origin, color, marital status, disability, political beliefs, height, weight, genetic information, or sexual orientation in the administration of any of its programs or activities, and prohibits intimidation and retaliation, as required by applicable laws and regulations.
